Notice For Requirements and Procedures of Weapon Check for Masks in Competition

According to the item 2 of Part D of "Notice for Arrangements for Improvement in Local Competitions" posted on 1 November 2011, the details of the Requirements and Procedures for the weapon check for Masks are carried out in Competition which are stated as below:

A Procedures for Weapon Check:

1. All the participants are requested to bring along with the mask to the reporting desk, the mask will be immediately checked at the weapon check counter after reporting;
2. If the mask passes in the check which will be attached on the back with a "PASS" label by official that is shown as Picture 1;
3. For the mask failed in the check, official will keep it and return it to the participants when finishing their competition event on the day; and
4. Only masks passed in the check and labeled can be used in the event day.

B Requirements for Weapon Check:

1. Every metallic part of the mask cannot be rust;
2. No hole or broken is occurred on the surface area;
3. Component parts of the mask must be fixed at the original location, such as screw, tagger and rivet etc.;
4. The joint linked with the front and lateral metallic-meshed parts must be tightly adhered and covered by the flat band around the mask;
5. The length of the back device for fixing must be well situated; and
6. Resistance test will be arranged if any conductive part is rust for the foil and sabre mask.

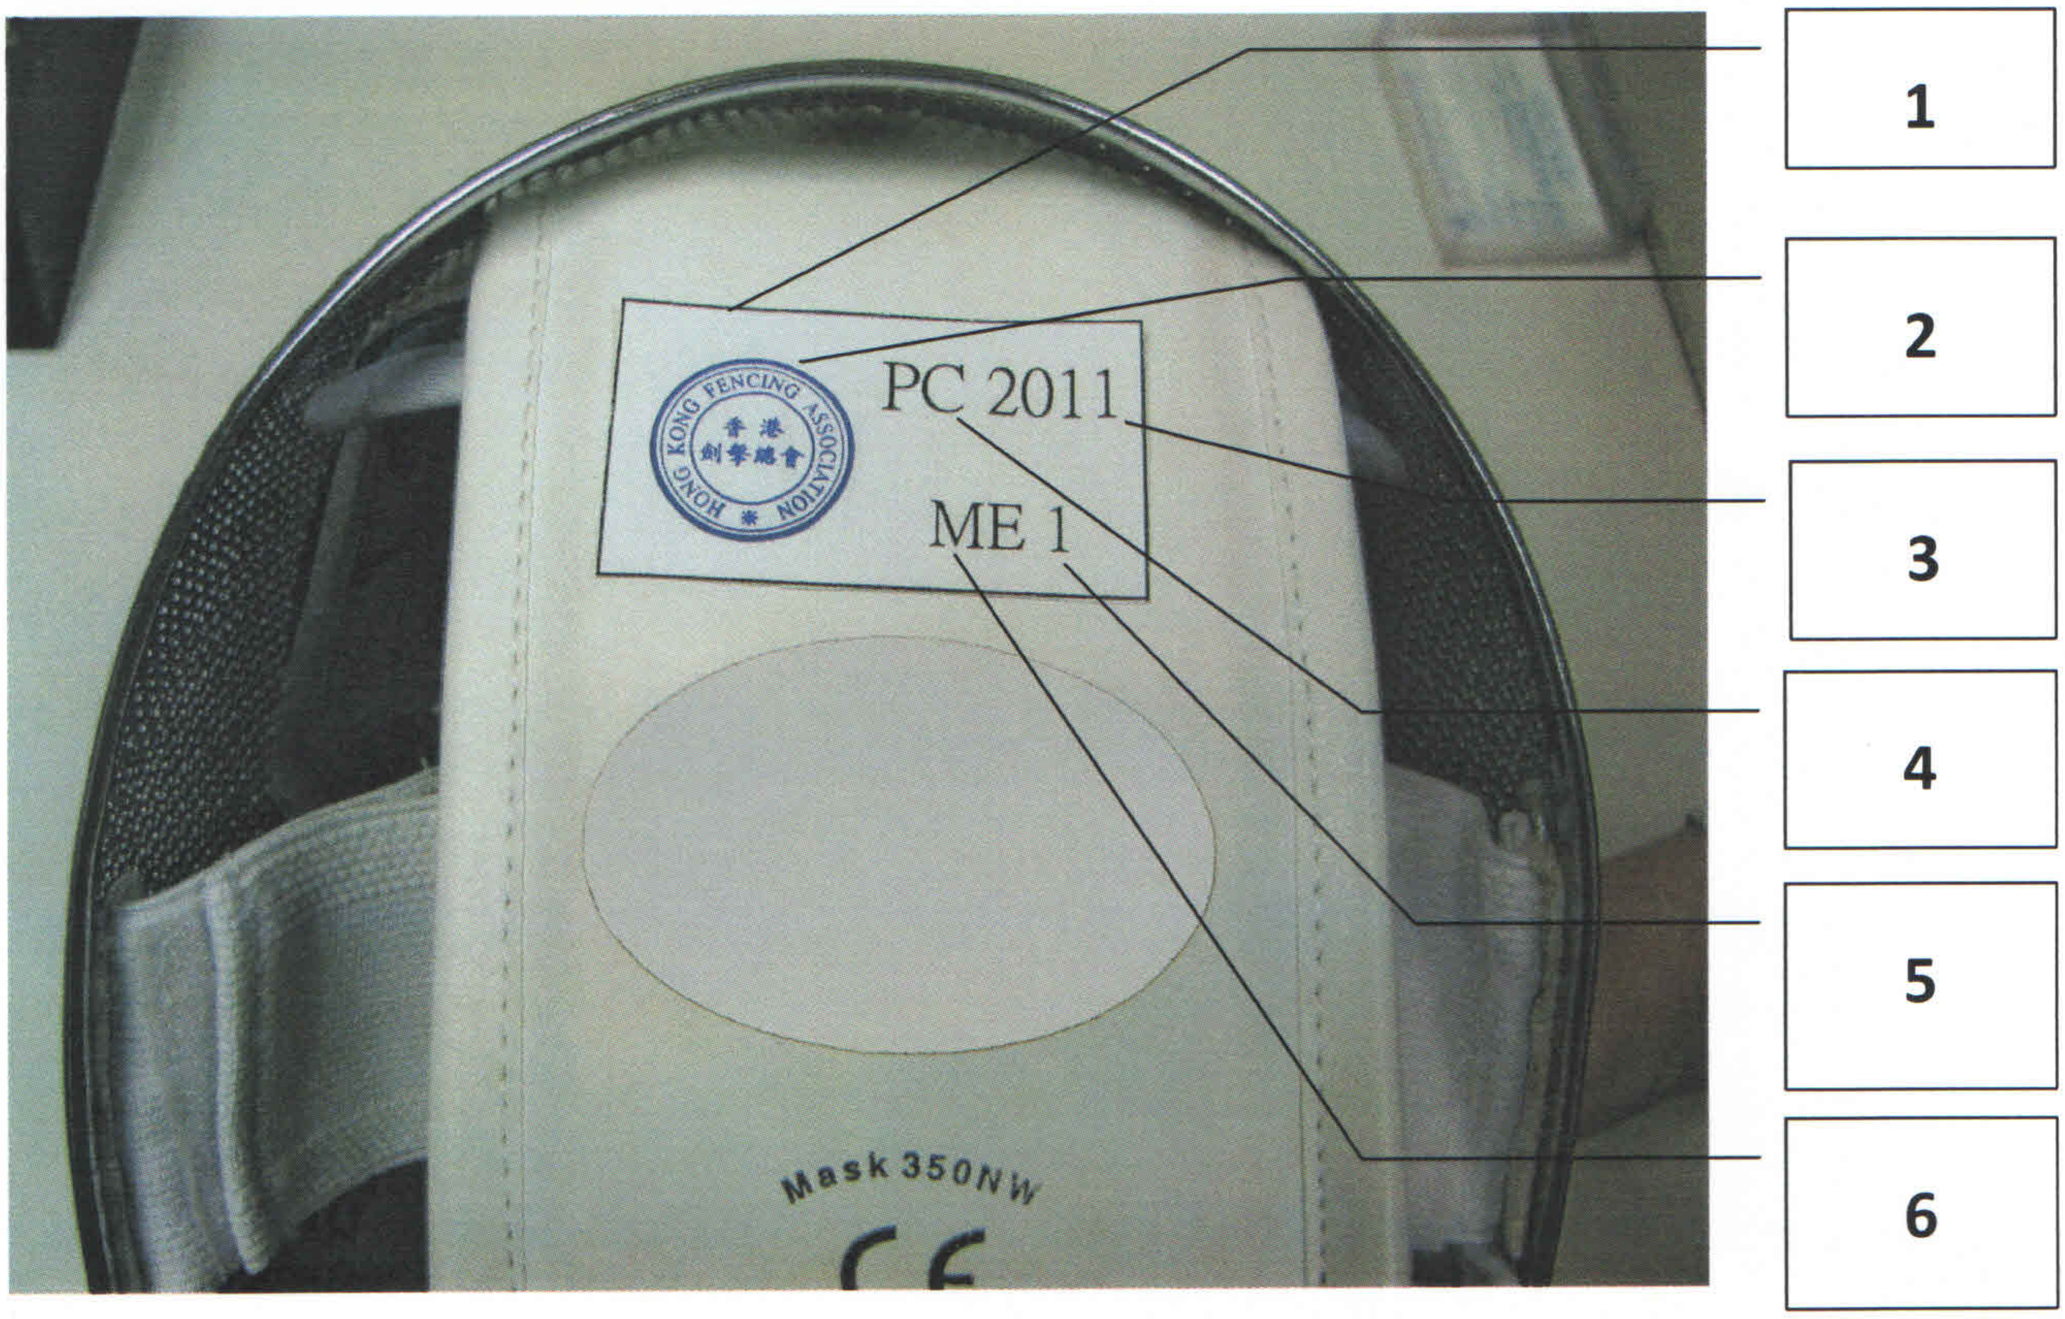

Please feel free to contact us at 2504 8106 for further details.
